ATTENTION !**VOTE EARLY
.... TOMORROW****ALL HOUSE-OWNERS, TAXPAYERS, are eligible to vote.****NO LIMIT ON LENGTH OF RESIDENCE !!****Oaths can be taken at the polling stations.****CAN YOU SPARE
10 MINUTES ?**

Yes, maybe you don't believe it but you only need 10 minutes tomorrow to bring your vote on one of the candidates. What is 10 minutes for the average citizen, once a year, to fulfill a pleasant duty as a responsible citizen of our Town. What is 10 minutes per year if you can use it to vote for the man of your choice who can become a member of the Council or School Board which bodies will decide about your money as Taxpayer how much and where to spend it. It is worthwhile to use these 10 minutes which could have a great influence in regards to so many important businesses with which the Town is faced. Can you spare 10 minutes to serve your Community? In case you can, don't forget to take your wife with you because she also is responsible for the best candidate being elected!

**LIBRARY,
CENTENNIAL
PROJECT**

Mr. G. McLellan
Chairman of the Centennial Committee

Special Council Meeting, October 7, 1965
Library, Centennial Project - Mr. G. McLellan, Chairman of the St. Albert Centennial Committee, and Mrs. J. J. Macdonald, member of this Committee, presented to Council the Centennial report in which they suggested to Council to build an 800 sq. ft. library as the Centennial Project for St. Albert. The report stated: "With Centennial year approaching in 1967, application for approval of the Centennial Project must be submitted prior to November 31, 1966, in order to

**WHAT
ABOUT
THE
SALARY?**

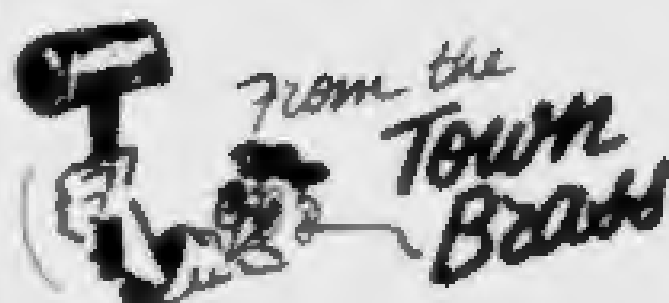

Yes, you have to decide tomorrow if the Town of St. Albert will have a Mayor with a salary or a Mayor who has to do his job voluntarily. If you agree to work 40 hours per week without payment, we sincerely urge you to vote against the Mayor's salary. But if you are convinced that 40 hours work per week should be paid, don't hesitate and vote for the Mayor's salary. It is just that simple as said in this slogan, "What you don't want to occur to you, don't pass this to the Mayor too!"

qualify for the Centennial Grants. A Centennial Committee was established in December, 1963. A report from Mr. G. McLellan, Chairman of the Centennial Committee, dated September 21, 1965, relating the activities of the Committee thus far, had been distributed to the Councillors for their study. The report by Mr. McLellan stated that the Committee had decided the Centennial project should be a Library, to be erected near the location of the Town Hall. Councillor Stewart raised the question as to whether this library would service the approximate 20,000 population of the Sturgeon County. Mr. McLellan replied that a Regional Library concept had been considered with the Library Board, but that it is something that does not have to be entered into at this time. Councillor Beaker queried of Mr. McLellan if the amount shown in his report of \$85,000 would cover the building and contents. Mr. McLellan stated that this figure covered the building only. Councillor Parkes felt that when the project was approved, the Centennial Com-

mittee should dissolve and the Library Board be permitted to handle the actual details of the library. Mayor Fowler stated that the Committee would request that the Library Board become part of the Centennial Committee upon approval of this project. Mayor Fowler further stated that the Committee had not been set up only to select a project and hand it over to Council for approval. He felt that "Centennial" meant considerably more than to build a building and open its doors on July 1st, 1967. However, if it were the wish of Council to dissolve the Committee, this could be done but, the Town would then have no group or Committee to promote any Centennial celebrations within the Town, or to raise funds. Therefore, he felt there was a very real purpose for the Centennial Committee to carry on. Councillor Donais felt that perhaps a "short term" Committee could be established made up of two members of the Centennial Committee, two members of the Library Board, one member of the Edmonton Library System, one member from Council and an architect, for the sole purpose of looking after the construction details. There was some consideration given to the size of the proposed library of 5,000 sq. ft. Mr. McLellan replied that this size was considered by Mr. Joburn of the Edmonton Library System to be an

adequate size for the Town of St. Albert. After further consideration, the following resolution was presented. Councillor de Bruijn moved that Council accept the recommendation of the Centennial Committee, and that the Centennial Project be a Library, as set out in the report. Carried Unanimously. Councillor Stewart moved that a special Centennial Library Project Committee be established with two representatives chosen by the Centennial Committee, two representatives from the Library Board, and one member of Council, to further the library project. Carried. Councillor Stewart moved that terms of reference be drafted by the Secretary-Treasurer, in regard to this new Committee, and to be presented to the first regular meeting of the new Council. Carried.

Thanksgiving 1965

It must be true that there's always something for which to be thankful. Most of us usually stay home for a restful weekend while the venture some travel to be with separated members of the family. Undoubtedly, no one wishes to be alone to give thanks to God for our good fortune in the past year. We cannot acquire it alone nor do we spend it with-

out assistance. Our good fortune may not be monetary, but may be just the usual requirements which our forefathers and pioneers fought and toiled to provide for us: food, clothing and shelter. Those of us who have good health must be thankful, and in gratitude assist those who have not.

Tomorrow will not be Thanksgiving but we can carry the spirit with us until we reach October 1966.

Food for Thought - Someone has asked that we begin publishing Christmas recipes. It's not too soon to begin, you know! While baking on the weekend let us take a peek at your Christmas cook-

book? Look those recipes over and get prepared to spend some in 1966.
Club Notes

1st Brownie Pack will meet at a different time in the future. The next meeting will take place in the S.J. Parish Hall on Saturday, October 16th from 7:00 until 11 A.M. Mrs. Garty will be owl for this group.

Sea Rangers - All interested girls between the ages of 14 to 16 years are invited to attend a meeting in the home of Guide Commissioner, Mrs. A. Vanderlin, 27 Sheridan Drive. This will be the initial meeting for this senior branch of the Girl Guide movement which was planned to continue the same program in a manner interesting to older girls. The Captain in charge will be Mrs. Tolson who has had a wealth of experience in Sea Rangers in England.

Burning Bush Circle - The ladies of the Burning Bush Circle held their meeting on October 4th at the home of Mrs. W. There were 14 ladies present. Mrs. Weaver was still with us and chaired the meeting. There was a rummage sale in the rear of the church where members of our congregation are asked to give help to new clothing and other necessities for this sale. There will be a congregational dinner on Friday, December 3, place to be announced later. Sponsors for this dinner: Mrs. J. W. Bishop, Mrs. Doris Harvey, and Mrs. Barbara Johnson. We studied the topic "Remember Your Hand."

The next meeting will be held on November 1, 1965 at the home of Mrs. J. Bishop, 6 Seymour Street.

OPEN LETTER TO THE CITIZENS OF ST. ALBERT

We have been approached by quite a few citizens who are not knowledgeable about the municipal scene in St. Albert for guidance on how we feel about our preference of the candidates presenting themselves in the forthcoming election.

Councillor John de Bruijn, presently deputy mayor and chairman of the Finance Committee, deserves worthy consideration of your vote due to his municipal and financial experience - which is longer than the remaining members of council combined (which averages 7 months as opposed to his 40 months). He has been instrumental in holding on reducing the municipal portion of the mill rate during the last three years. We feel this is sufficient reason to recommend his return to office.

Raymond Gibbon is a newcomer to the political scene in St. Albert. He has made a point of attending nearly all council meetings during the past year and educated and familiarized himself with the operations of local government at the council level prior to standing for election. This is a very strong point in his favour in view of the fact that very few candidates at any time have taken the time to acquire this very necessary background.

We as councillors, would strongly recommend your favourable consideration when casting your ballot on Wednesday for the reasons outlined above.

(Adv.)

Dr. D. Stewart
